Our School

Located along the Eagle River in Edwards, Vail Christian High School (VCHS) provides a one-of-a-kind opportunity for Vail Valley's high school students. Since its founding in 1998, VCHS has been devoted to high academic standards and college preparation within a Christian atmosphere based on love, respect, and understanding. Vail Christian High School provides a safe place for students to explore Christian faith and discover their own spirituality. As an independent Christian high school, we're ecumenically diverse, and warmly welcome families and students from all backgrounds.

Curriculum and Programs

At Vail Christian High School, students participate in the Advanced Placement (AP) program beginning in 9th grade. By graduation, the average VCHS graduate will have taken **8 AP** courses from our current **14 AP** offerings. Dual Enrollment (DE) courses are also offered through Colorado Christian University and University of Colorado, Colorado Springs. Project Lead The Way (PLTW) courses (engineering, biomedical and computer science) are also offered and complement their AP counterparts with more experiential, project-based learning.

Spiritual formation is an important component of a VCHS education. Understanding that every student is uniquely designed, we desire that students explore the Christian faith and discover their own faith or spirituality. We also seek to foster a school culture in which love is primary and respect and understanding of others' backgrounds and experiences are non-negotiable. Our community gathers together each week during a chapel service, and Theology courses are an integral part of our school's identity and embody our mission to develop the whole person. Theology offerings include Foundations, History of Christian Thought and Life of Christ through the Gospel of John.

Vail Christian High School is accredited through Cognia and holds memberships with The College Board, National Association for College Admission Counseling, and the Council on Educational Standards and Accountability.

COVID-19 Statement

Students utilized Zoom for synchronous and asynchronous learning from March-May 2020. This was a challenge for several students living in areas lacking adequate Internet and technology access.

For the 2020-21 school year, the VCHS Virtual Community was created to provide Monday - Friday synchronous access for those students who needed to stay home. In-person learning also continued as did letter grading.

For the 2021-22 school year, Vail Christian High School will continue to offer the synchronous VCHS Virtual Community for those students unable to attend in person.
